TO ALL MEDIA

It appears that a series of major events will happen soon on planet Earth.
These events may happen in 2008.

1. The collapse or removal of the US Bush administration, followed by other governments,
2. Announcement of a new abundant money system for each country.
3. Mass landing of highly evolved friendly beings from the Galactic Federation.
4. The "second coming" or appearance of many spiritual masters.

There is a Cosmic Plan and a schedule for our spiritual transformation/graduation.

The famous Mayan calendar says:-

(5th NIGHT) Nov. 19th 2007 - Nov. 12th 2008
The end of manufactured lack.

(6th DAY) Nov. 13th 2008 - Nov. 7th 2009
Consciousness surpasses technology

(6th NIGHT) Nov. 8th 2009 - Nov. 2nd 2010
Bliss, we need the practice

(7th DAY) Nov. 3rd 2010 - Oct. 28th 2011
We evolve to conscious Co-Creation
of existence and experience
