## TESTIMONIALS ABOUT HEALING PROPERTIES (All Sterling Silver 925)

*As soon as I started to wear the Flower of Life symbol, the dreams commenced. A clearing of all my unresolved issues - some I didn't even realize I was holding onto! Its just fantastic how effective they are. Who would have believed. I love them! JH*

*I had been wearing the Merkaba pendent for around 2 months. Then I had my first experience. A very vivid dream to do with a relationship that i had not resolved. Its really made a difference to me - the feeling of clearing something I'm sure I would have held onto for years. I'm now onto my second symbol the Golden Mean Spiral. I feel more balanced and I'm viewing the world from a place of peace. ER*

*Wearing the symbols has re-awoken the spiritual part of me. The dreams are unbelievable. I have a knowing inside of me that everything is working in the right direction and a strong feeling of being connected. This planet needs them and I'm so grateful I found them. Love to one and all. PP*

*Since wearing the Mobius Ring I'm feeling more in control. The mobius has made me face my fears, and now I'm more confident and have a freedom to my movement through life. I have a calmness in my body and mind. I suppose you could say I'm finding peace and a new connecting to this planet I call home (for now). SY*
